Moving Request

Name: _____

Lease Expires: _____

Date: _____

_____ I want to move within the Rosenberg Housing Authority's Jurisdiction.

_____ I want to port to _____.

By signing this form, I understand the following action will be taken by the housing authority before allowing the move, and such action **may result in my move being denied, entering into a repayment agreement, issuance of a family obligation warning, or termination.**

- The housing authority will review the Enterprise Verification System and the Income Verification Discrepancy report to ensure all income has been reported to the housing authority since the last reexamination.
- If unreported income is found, the matter will be pursued by the Fraud department and corrective action will be taken, if necessary. Until the issue has been remedied, I understand I will not be allowed to move.
- If a move is denied for a family obligation warning, an elective move will not be granted for 6 months.
- If no unreported income is found, you will then be provided with your moving packet.
